## 1400 SERIES DIGITAL DESKPHONES

The 1400 Series Digital Deskphones is a new, value-priced family of deskphones designed to meet communication needs with the quality and reliability you expect from Avaya.

The 1400 Series Digital Deskphones family is designed for the same user profiles as the 9600 Series IP Deskphones or the 1600 Series IP Deskphones. By providing a range of endpoints covering the differing needs of users, Avaya makes it possible for companies to equip their workforce with deskphones that look great, sound better, enhance productivity and turn communications into a competitive advantage. With similar industrial design, the 1400 Series Digital Deskphones, 1600 Series IP Deskphones and the 9600 Series IP Deskphones may be deployed in mixed environments or on their own, delivering:

- Digital telephones for the value-oriented customer
- Straightforward, familiar access to the most common telephony features
- Cost-effective, competitive price point
- Quality and reliability you expect from Avaya

For businesses seeking an easy, cost-effective solution for digital networks, Avaya presents the 1400 Series Digital Deskphones. With features and capabilities of the Avaya digital/DCP network, these phones offer an attractive upgrade from older systems or an addition to your existing Avaya phone solution portfolio.

The 1400 Series Digital Deskphones combine traditional telephone features such as dual LED indicators and fixed feature buttons (e.g., conference, transfer, hold) with contemporary innovations such as softkeys, navigation wheel and a context-sensitive user interface. Also standard on the 1400 Series Digital Deskphones: speakerphones, white backlit displays and multi-line capabilities. These stylish phones are a smart addition to any retail store, branch or corporate office.

### A Familiar, Functional Interface

The 1400 Series Digital Deskphones combine the best of past and present. Fixed keys - familiar to any phone user - provide easy access to the most common features. Meanwhile, flexible softkeys provide contextual guidance and prompts for ease of use and efficiency.

### Clear Sound, Clean Looks

The 1400 Series Digital Deskphones offer clear, clean audio that will more than satisfy the most discerning users. All models come with an integrated speakerphone. The phone's streamlined industrial design reflects its function as a true business-class communications device.
