5. Requested Services

a. Residential Trash Collection

- i. The contractor shall be responsible for collection and disposal of all household trash. The city is soliciting proposals for once per week service from the curb. The contractor shall have exclusive right and obligation to collect and dispose of all residential solid waste generated within the city limits.
- ii. The contractor shall furnish all the labor, equipment, materials and supplies for the collection of residential solid waste at each residential unit within the corporate limits of the City of Sullivan. There are currently an estimated 2,525 residential units located within the city limits.
- iii. Collection shall be performed once per week at each residence on a regular schedule. It is recognized that weeks containing holidays and unforeseen emergencies will require alteration of the schedule for those situations only; a make-up day must be provided.
- iv. Customers will be responsible for setting containers at curbside in front of the residence. In unusual cases, the city may direct a resident to place his material elsewhere, and notify the contractor. Containers and collection vehicles shall conform to city ordinance and state guidelines. Contractor may be expected to provide assistance, when requested by the City, to individuals not capable of setting containers at curbside at no additional charge.
- v. The contractor will maintain a toll-free number for residents to arrange for pickup of bulky waste and to lodge complaints concerning collection.
- vi. Contractor is to bid for the collection of yard wastes, i.e. grass clippings, leaves, and tree debris.
- vii. Bulky materials and white goods will be collected by the contractor, but white goods will not be included in the basic rate. Rates for white good items shall be included on the attached bid form.
- viii. Names of supervisory personnel that will oversee the collection in Sullivan.

b. Residential Recycling Services

- i. Contractor shall provide to all residences in the city collection of recyclables. There is typically 50-55 tons of regular waste and 1 ton of recyclables per week. The bid will include a city-wide curbside pickup once per week on the same day.
- ii. It shall be a breach of contract for the hauler to dispose of any recyclable item collected through the recycling program in a sanitary landfill. Residential participation in the program shall be voluntary. The city will require periodic reports on the level of participation by residents and the

amounts of materials recovered.

- iii. The bid for this service shall be based upon all residences.
 - iv. Names of supervisory personnel that will oversee the collection of recyclables in Sullivan.
- c. City Facilities.
- i. The contractor will provide three special pick-ups per year at no charge to the City for two city-wide cleanups and the Meramec Community Fair. Items not included in these pickups will include items prohibited by the Department of Natural Resources. These pickups will be coordinated with the City staff. Historically, the Fair has required two 40 yard containers or four 20 yard containers, Spring cleanup 110 tons collected, Fall cleanup 35 tons collected.
 - ii. Dumpsters placed at city owned buildings/sites will be provided at no charge to the City.
